

What is Surrealism?

Surrealism is when certain dreams, emotions, etc. are used in unconventional ways in modern settings. This is NOT to be confused with abstraction that usually plays with colors and patterns to create a piece of art.

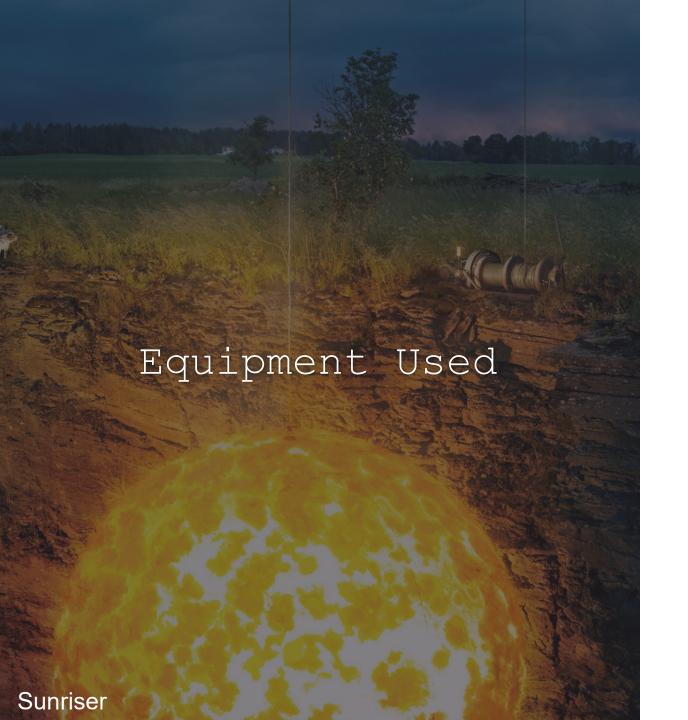

- Born April 1985 in Sweden
- Based in Czech Republic
 - Personal and Commissioned works

Work Process

- Focuses on making the final product look as real as possible
 - Controlled environments
- Long editing time frames (limited finished works each year)
